DIGITAL ARCHIVING

April 24-26 on the New York University campus in New York, NY

personaldigitalarchiving.com

This conference focuses on topics relevant to digital archiving for libraries, archives and museums, small organizations, individuals, community groups, activist groups and others interested in personal digital collections.

PDA 2015 will feature two full days of presentations focused on a set of themes and a third day for workshops covering useful tools and methods.

Hosted by NYU's Moving Image Archiving and Preservation (MIAP) program, in collaboration with NYU Libraries and Coalition for Networked Information (CNI).
